

CORPORATE CENTER VI

Henderson, Nevada

- Architectural precast cladding provided the attractive and sustainable element to help Corporate Center VI achieve a LEED Gold Certification.
- The durable architectural precast provides the owner with a virtually maintenance free component on the exterior of the building.
- The project is clad with 233 precast panels for a total of 24,800 sf
- A three level precast parking structure was provided with architectural spandrels to compliment the office building.

Owner: Corporate Center V, LLC
An affiliate of American Nevada Company, LLC

Architect: TKC

Engineer: Paul•Koehler•Delp
