

PARADISE VALLEY INTEGRATED MEDICAL SERVICES

Phoenix, Arizona

- Total precast concrete buildings utilizing architectural and structural precast components have become the “structure of choice” for the Integrated Medical Services team.
- With a single source provider—total precast structures simplify coordination and construction by reducing the number of trades and allows more control over the schedule.
- This four-story, 120,000 SF medical office building core & shell erected in 35 days.

Owner: *Integrated Medical Services*
