

CHASE FIELD PARKING STRUCTURE

Phoenix, Arizona

- This 6-level, 1500 car parking structure was completed for the Arizona Diamondbacks in 1997.
- Coreslab provided preconstruction design assistance value engineering to maintain the construction budget.
- The project featured "two" interior park-on ramps which loads efficiently as well as empties out quickly and safely after the ballgame or special event.

Owner: Maricopa County Stadium District

Architect: Peter A. Lendrum Architecture

Engineer: TLCP Structural Engineers

General Contractor: Core Construction Services
