

BANNER DESERT MEDICAL CENTER PARKING

Mesa, Arizona

- Coreslab assisted Kitchell, Kracor, and Landa to develop the project by providing framing layout/details and budgeting from concept to construction. Through this relationship, the car count was increased by 300 cars and a very expensive expansion joint was eliminated, creating cost saving and better efficiency for the Owner.
- The structure provides 1,160 parking spaces and was erected in just 45 days, one full week ahead of schedule.

Owner: Banner Health Services

Architect: Kracor, Inc.

Engineer: Landa Structural Engineers

General Contractor: Kitchell Contractors
