

CORPORATE CENTER VI

Henderson, Nevada

The Design/Build Team that included Coreslab Structures (ARIZ) Inc worked closely to develop a complimentary parking garage for the Corporate Center VI project.

Precast Advantages

- **For the Owner:** Speed of construction, superior quality and durability, virtually maintenance free sustainable design.
- **For the Designer:** Design assistance (precast member design and layouts), unlimited flexibility, and integral architectural/structural components eliminating redundant framing.
- **For the Contractor:** Rapid construction, single source provider, cleaner/safer jobsite.

Owner: Corporate Center V, LLC
An affiliate of American Nevada Company, LLC

Architect: TKC Design P.C.

Engineer: Paul Koehler Delp

General Contractor: The Korte Company
