

NEVADA CANCER INSTITUTE PARKING

Las Vegas, Nevada

The Design/Build Team that included Coreslab Structures (ARIZ) Inc provided a parking structure that united the Nevada Cancer Institute campus.

Precast Advantages

- **For the Owner:** Speed of construction, superior quality and durability, virtually maintenance free sustainable design.
- **For the Designer:** Design assistance (precast member design and layouts), unlimited flexibility, and integral architectural/structural components eliminating redundant framing.
- **For the Contractor:** Rapid construction, single source provider, cleaner/safer jobsite.
